

Southington Town-Wide Effort to Promote Success
Permission Slip

Southington's Town-wide Effort to Promote Success (STEPS) is a community initiative aimed at developing healthy and successful youth. The Youth Council's mission is to build relationships and increase youth involvement within the 12 sectors of the Southington Community (Youth, Parents, Businesses, Media, School, Youth-Serving Organizations, Law Enforcement, Religious Organizations, Civic and Volunteer Groups, Healthcare Professionals, State and Local Government, and other organizations involved in reducing substance abuse).

Emergency Contact Name: _____ Emergency Contact #: _____

As a student, I commit to volunteering for STEPS. As a parent, I give my child permission to participate in STEPS and the STEPS Youth Council. We understand that STEPS is affiliated with several community groups and follows the Best Practice guidelines. We understand that the STEPS Youth Council meets at various times during the year, may include nights and weekends, and may require attendance at certain events.

Student Signature: _____ Parent Signature: _____

Date: _____

During the course of the year, we will be taking pictures/videos of our students to promote the STEPS initiative and at STEPS related events. This will include sending pictures to local journals and papers. We would like your permission to include your child.

I, _____ am the lawful parent or guardian of _____ and give my permission to the release of any pictures taken of the above mentioned child, by committee advisors to be included in announcements, advertisements, and documents in the STEPS name.
